Translation:

I. All of us ask you
Speak for us
You God, your mother
We pray over now
In the sin, they are standing
In the heart (breath)
You pray for us

II. Have big strength
You are God's mother
Jesus is the son
Through the Holy Spirit, made Himself mortal
You are full of blessings
Pray for us

III. Your stomach he came out of, great Word
You God your mother
You God your mother
Your body Jesus
Through the Holy Spirit, you became mortal
You are full of blessings
Pray for us
